Third Party Designee

For taxable years beginning on or after January 1, 2008, you can designate a third party to discuss your tax return with the Franchise Tax Board (FTB). For more information, go to the instructions on page 10, Third Party Designee.

Voluntary Contributions

For taxable years beginning on or after January 1, 2008, you may contribute to the following new funds:

- California Ovarian Cancer Research Fund
- Municipal Shelter Spay-Neuter Fund
- California Cancer Research Fund
- ALS/Lou Gehrig's Disease Research Fund

Same Sex Married Couples

Married couples must file their California income tax returns using either the married/RDP filing jointly or married/RDP filing separately filing status. Same-sex couple marriages performed in California on June 16, 2008 and before November 5, 2008 have been recognized as valid marriages for California purposes. For more information, get FTB Pub. 776, Tax Information for Same-Sex Married Couples.

Proposition 8 was approved by the voters on November 4, 2008, and it provides that "only marriage between a man and a woman is valid or recognized in California." Lawsuits challenging the Proposition have been filed. To find updates and information about the filing status to be used on your 2008 returns, go to our website at ftb.ca.gov and search for "same sex married couples" or get FTB Pub. 776, Tax Information for Same-Sex Married Couples.

ReadyReturn

If your filing status is single or head of household and your income is only from wages, you may qualify for ReadyReturn. It simplifies the filing process by pre-filling a tax return with information the state already has. For more information and to see if you qualify, go to our website at ftb.ca.gov and search for **readyreturn** or call 800.338.0505.

Registered Domestic Partners (RDP) – RDPs under California law must file their California income tax return using either the married/RDP filing jointly or married/RDP filing separately filing status. RDPs have the same legal benefits, protections, and responsibilities as married couples unless otherwise specified.

If you entered into a same sex legal union in another state, other than a marriage, and that union has been determined to be substantially equivalent to a California registered domestic partnership, you are required to file a California income tax return using either the married/RDP filing jointly or married/RDP filing separately filing status. For more information on what states have legal unions that are considered substantially equivalent, go to our website at ftb.ca.gov and search for **rdp**.

For purposes of California income tax, references to a spouse, a husband, or a wife also refer to a California registered domestic partner (RDP), unless otherwise specified. When we use the initials RDP they refer to both a California registered domestic "partner" and a California registered domestic "partnership," as applicable. For more information on RDPs, get FTB Pub. 737, Tax Information for Registered Domestic Partners.

Round Cents to Dollars

Round cents to the nearest whole dollar. For example, round \$50.50 up to \$51 or round \$25.49 down to \$25. If you do not round, the FTB will disregard the cents. This change helps process your return quickly and accurately.

MyFTB Account

Make tax time less taxing! Check MyFTB Account for information about your FTB issued 1099-Gs, 1099-INTs, California wage and withholding data and more! Go to our website at ftb.ca.gov and search for **myftb account**.

Direct Deposit Refund

For a faster refund you can request a direct deposit refund on your tax return whether you e-file or file a paper return. Be sure to fill in the routing and account numbers carefully and double-check the numbers for accuracy.

Steps to Determine Filing Requirements

Step 1: Is your gross income (all income you received in the form of money, goods, property, and services from all sources that are not exempt from tax) more than the amount shown in the Gross Income chart below for your filing status, age, and number of dependents? If yes, you have a filing requirement. If no, go to Step 2.

Step 2: Is your adjusted gross income (federal adjusted gross income from all sources reduced or increased by all California income adjustments) more than the amount shown in the Adjusted Gross Income chart below for your filing status, age, and number of dependents? If yes, you have a filing requirement. If no, you do not have a filing requirement. If you do not have a filing requirement, you must file a return to claim your withholding. You may be eligible for the federal EITC; see page 14 for more information.

2. How can I get help?

Throughout California, more than 1,500 sites provide trained volunteers offering free help during the tax filing season to persons who need to file simple federal and state income tax returns. Participating locations are listed on our website from January 2 through April 15. Call the FTB at 800.852.5711 to find a location near you or go to ftb.ca.gov and search for **vita** for more information.

3. When do I have to file?

File and pay by April 15, 2009, but if you can't file by that date, you get an automatic, paperless extension to file by October 15, 2009. Any tax due must be paid by April 15, 2009, to avoid penalties and interest. See form FTB 3519 on page 23. You cannot use Form 540 2EZ if you make an extension payment with form FTB 3519. You can CalFile, e-file, or use Form 540A, Form 540, or the Long or Short Form 540NR when you file your return.

If you are in the military, you may be entitled to certain extensions. For more information, get FTB Pub. 1032, Tax Information for Military Personnel.

4. I don't have my W-2s. What do I do?

If all your Forms W-2 were not received by January 31, 2009, contact your employer. Only an employer issues or corrects a Form W-2. Wage and withholding information is available on MyFTB Account at ftb.ca.gov. For more information, call 800.338.0505, select personal income tax, then frequently asked questions, and enter code 204 when instructed.

5. Is direct deposit safe and faster?

Direct deposit is fast, safe, and convenient. To have your refund directly deposited into your bank account, fill in the account information on Form 540 2EZ, Side 2, line 29 and line 30. Fill in the routing and account numbers and indicate the account type. For the fastest refund file electronically and use direct deposit.

6. I discovered an error on my tax return. What should I do?

If you discover an error on your California income tax return after you filed it (paper or e-file), use Form 540X, Amended Individual Income Tax Return, to correct your return. Get Form 540X online at ftb.ca.gov or call 800.338.0505 and enter code 908. You cannot e-file an amended return.

Go to our website at ftb.ca.gov and search for **refund status** or call 800.338.0505.

9. How long do I keep my tax records?

Generally, keep your California income tax records for at least four years from the due date of the return or four years from the date the return is filed, whichever is later. However, an extended period may apply for California or federal tax returns related or subject to federal audit.

10. I will be moving after I file my return. How do I notify the FTB of my new address?

You can notify the FTB of your new address by using form FTB 3533, Change of Address. This form is available on our website at ftb.ca.gov.

11. The Internal Revenue Service (IRS) made changes to my federal return. What should I do?

If your federal income tax return is examined and changed by the IRS and you owe additional tax, report these changes to the FTB within six months of the date of the final federal determination. If the changes the IRS made result in a refund due for California, claim a refund within two years of the date of the final federal determination. Either use Form 540X to correct the California income tax return you already filed, or send a copy of the federal changes to:

ATTN RAR/VOL MS F310
FRANCHISE TAX BOARD
PO BOX 1998
RANCHO CORDOVA CA 95741-1998

Regardless of which method you use to notify the FTB, you must include a copy of the final federal determination along with all data and schedules on which the federal adjustment was based. Instructions for Form 540 2EZ

CalFile – California's free, fast, easy, and secure e-file option.

Things you need to know before you complete Form 540 2EZ

Determine if you qualify to use Form 540 2EZ. See the table on page 4.

Specific Line Instructions

These instructions are based on the Internal Revenue Code (IRC) as of January 1, 2005, and the California Revenue and Taxation Code (R&TC).

Name and Address – Print your name, middle initial, last name, and address in the spaces provided.

Social Security Number (SSN) or Individual Taxpayer Identification Number (ITIN) – Enter your SSN or ITIN in the spaces provided. If you file a joint return, enter the SSN or ITIN in the same order as the names.

An ITIN is a tax processing number issued by the IRS to foreign nationals and others who have a federal tax filing requirement and do not qualify for an SSN. The ITIN is a nine-digit number that always starts with the number 9.

Line 1 through Line 5 – Filing Status

Fill in the circle on Form 540 2EZ for the filing status that applies to you.

If your California filing status is different from your federal filing status, fill-in the circle under line 5.

Filing Status Checklist

Choose only one filing status. Your filing status for California must be the same as the filing status you used on your federal income tax return.

Exception:

If you are an RDP and file single for federal, file married/RDP filing jointly or married/RDP filing separately for California. If you are an RDP and file head of household for federal, you may file head of household for California only if you meet the requirements to be considered not in a domestic partnership.

Married taxpayers who file a joint federal income tax return may file separate California returns if either spouse was:

- An active member of the U.S. Armed Forces (or any auxiliary military branch) during 2008.
- A nonresident for the entire year and had no income from California sources during 2008.

You cannot use Form 540 2EZ if:

- You file a joint return and either spouse/RDP was a nonresident in 2008. Use Long or Short Form 540NR, California Nonresident or Part-Year Resident Income Tax Return. These forms are available online at ftb.ca.gov or file online using e-file.
- You are married/RDP and file a separate return. Use Form 540A or Form 540. These forms are available online at ftb.ca.gov or file online through **CalFile** or **e-file**.
- You have income from a source outside of California.
- You have income from a source not listed on this form.

Single

You are single if any of the following was true on December 31, 2008:

- You were not married or in an RDP.
- You received a final decree of divorce or legal separation, or your RDP was terminated.
- You were widowed before January 1, 2008, and did not remarry or enter into another RDP in 2008 (see Qualifying Widow[er]).

Married/RDP Filing Jointly

You may file married/RDP filing jointly if any of the following is true:

- You were married/RDP as of December 31, 2008, even if you did not live with your spouse/RDP at the end of 2008.
- Your spouse/RDP died in 2008 and you did not remarry or enter into another RDP in 2008.
- Your spouse/RDP died in 2009 before the 2008 return was filed.

A married couple or RDPs may file a joint return even if only one had income or if they did not live together all year. However, both must sign the return.

Head of Household

Head of household filing status is for unmarried individuals and certain married individuals or RDPs living apart who provide a home for a specified relative. You are entitled to use head of household filing status only if ALL of the following apply:

- You were unmarried and not in an RDP, or you met the requirements to be considered unmarried or considered not in an RDP on December 31, 2008.
- You paid more than one-half the cost of keeping up your home for the year in 2008.
- For more than half the year, your home was the main home for you and one of the specified relatives who by law can qualify you for head of household filing status.
- You were not a nonresident alien at any time during the year.

For a child to qualify as your foster child for head of household purposes, the child must be placed with you by an authorized placement agency or by order of a court.

If you are unmarried, your unmarried child no longer qualifies you for head of household filing status if he or she is 19 years of age or older, is not a student, and has gross income equal to or greater than the federal exemption amount of \$3,500. In addition, your unmarried child also no longer qualifies you for the status if he or she is under 19 years of age, or a student under 24, and pays more than half of his or her own support.

The FTB has a self test, which will help you determine your filing status. For more information, get FTB Pub. 1540, California Head of Household Filing Status Information. Go to our website at ftb.ca.gov and search for **self test**.

Qualifying Widow(er)

You are a qualifying widow(er) if ALL of the following apply:

- Your spouse/RDP died in 2006 or 2007, and you did not remarry or enter into another RDP in 2008.
- You have a birth child, adopted child, stepchild, or eligible foster child for whom you can claim a dependent exemption credit.
- This child lived in your home for all of 2008. Temporary absences, such as for school, vacation, or medical care, count as time lived in the home.
- You paid over half the cost of keeping up your home for this child.
- You could have filed a joint return with your spouse/RDP the year he or she died, even if you actually did not do so.

Enter the year of your spouse's/RDP's death on your return.

amounts shown in box 10. The Franchise Tax Board (FTB) verifies all withholding claimed from federal Forms W-2, CA Sch W-2, or 1099-R with the Employment Development Department (EDD).

Line 24 – Tax Due

If the amount on line 22 is less than the amount on line 21, subtract the amount on line 22 from the amount on line 21. Enter the result on line 24. Your tax is more than your credits.

Increasing your withholding could eliminate the need to make a large payment with your tax return. To increase your withholding, complete EDD Form DE 4, Employee's Withholding Allowance Certificate, and give it to your employer's appropriate payroll staff. You can get this form from your employer or by calling the EDD at **888.745.3886**. You can download the DE 4 at www.edd.ca.gov or go to our website at ftb.ca.gov and search for **de 4**. If you did not pay enough through withholding, you may have an underpayment penalty. The FTB will figure the underpayment penalty for you.

Line 25 – Use Tax - This is not a total line

You may report use tax on your income tax return instead of filing a use tax return with the State Board of Equalization. To report use tax on your income tax return, complete the Use Tax Worksheet on this page. For questions on whether a purchase is taxable, go to the State Board of Equalization's website at boe.ca.gov, or call their Taxpayer Information Section at 800.400.7115 or TTY/TDD 800.735.2929.

If you owe use tax but you do not report it on your income tax return, you must report and pay the tax to the State Board of Equalization. To do so, download a copy of Publication 79-B, California Use Tax, from boe.ca.gov or request a copy by calling the State Board of Equalization's Taxpayer Information Section; see phone number above.

Use Tax Penalty

Failure to timely report and pay the use tax due may result in the assessment of penalties.

Note: Businesses that have a California seller's permit must continue to report business purchases subject to use tax on their sales and use tax returns.

Use Tax Worksheet

Round all amounts to the nearest whole dollar.

1. Enter purchases from out-of-state or Internet sellers made without payment of California sales/use tax. See worksheet instructions below. . . . \$ _____ .00
2. Enter the decimal equivalent of the applicable sales and use tax rate. See worksheet instructions below . . . _____
3. Multiply line 1 by the tax rate on line 2. Enter result here \$ _____ .00
4. Enter any sales or use tax paid to another state for purchases included on line 1. See worksheet instructions below. . . . \$ _____ .00
5. Total Use Tax Due. Subtract line 4 from line 3. Enter the amount here and on line 25. If the amount is less than zero, enter -0- \$ _____ .00

Worksheet, Line 1, Purchases Subject to Use Tax

- Report items that would have been taxable in a California store. For example, you would include purchases of clothing, but not purchases of prescription medicine.
- Include handling charges.
- Do not include any other state's sales or use tax paid on the purchases.
- Enter only purchases made during the year that corresponds with the tax return you are filing.
- If you traveled to a foreign country and brought items back to California, generally the use tax is due on the purchase price of the goods you listed on your U.S. Customs Declaration, less the \$800 per-person exemption. This \$800 exemption does not apply to goods sent or shipped to California by mail or other common carrier.
- If your filing status is "married/RDP filing separately," you may elect to report one-half of the use tax due or the entire amount on your income tax return. If you elect to report one-half, your spouse/RDP must report the remaining half on his or her income tax return or on the individual use tax return available from the State Board of Equalization.

Note: Report and pay any use tax you owe on the following purchases to the State Board of Equalization, not on your income tax return:

- Vehicles, vessels, and trailers that must be registered with the California Department of Motor Vehicles.
- Mobile homes or commercial coaches that must be registered annually as required by the Health and Safety Code.
- Vessels documented with the U.S. Coast Guard.
- Aircraft.
- Leases of machinery, equipment, vehicles, and other tangible personal property.

Worksheet, Line 2, Sales and Use Tax Rate

- Enter the decimal equivalent of the sales and use tax rate applicable to the place in California where the property is used, stored, or otherwise consumed. For example, the decimal equivalent of 7.25% is 0.0725, and the decimal equivalent of 7.375% is 0.07375.
- If you do not know the applicable rate, see the table below and on page 9, "Sales and Use Tax Rates by County." If you have questions regarding the use tax rate in effect in your area, go to the State Board of Equalization's website at boe.ca.gov or call their Taxpayer Information Section at 800.400.7115 or TTY/TDD 800.735.2929.

Worksheet, Line 4, Credit for Tax Paid to Another State

- This is a credit for tax paid to other states. You cannot claim a credit greater than the amount of tax that would have been due if the purchase had been made in California. For example, if you paid \$8.00 sales tax to another state for a purchase, and would have paid \$6.00 in California, you can claim a credit of only \$6.00 for that purchase.

1. Many cities in California impose a district tax which results in a higher sales and use tax rate than in other parts of the county. If you are reporting an item that was purchased for use in one of these counties, please check the following city list to see if a higher rate applies to your city. The tax rates shown apply within the city limits of the listed community.

Sign Your Tax Return

Sign your tax return on Side 2. If you file a joint tax return, your spouse/RDP must also sign it.

If you file a joint return, both you and your spouse/RDP are generally responsible for tax and any interest or penalties due on the return. If one spouse/RDP does not pay the tax, the other spouse/RDP may have to. See Innocent Joint Filer Relief on page 13.

If you pay a person to prepare your tax return, that person must sign on Side 2 and include either their social security number, PTIN, or FEIN. A paid preparer must give you a copy of your tax return to keep for your records.

Also print the designee's name and telephone number. If you want to allow the paid preparer who signed your return to discuss it with the FTB, enter "Preparer" in the space for the designee's name and print the preparer's phone number.

If you check the "Yes" box, you, and your spouse/RDP if filing a joint return, are authorizing the FTB to call the designee to answer any questions that may arise during the processing of your return. You are also authorizing the designee to:

- Give the FTB any information that is missing from your return.
- Call the FTB for information about the processing of your return or the status of your refund or payments.
- Receive copies of notices or transcripts related to your return, upon request.
- Respond to certain FTB notices about math errors, offsets, and return preparation.

The authorization will automatically end no later than the due date (without regard to extensions) for filing your 2009 tax return. This is April 15, 2010, for most people. To revoke the authorization before it ends, notify us by telephone at 800.852.5711 or in writing at Franchise Tax Board, PO Box 942840, Sacramento CA 94240-0040, include your name, SSN, and the designee's name.

California Use Tax General Information

The use tax has been in effect in California since July 1, 1935. It applies to purchases from out-of-state sellers and is similar to the sales tax paid on purchases you make in California. If you have not already paid all use tax due to the State Board of Equalization, you must report and pay the use tax due on your state income tax return. See the information below and the instructions for line 25 of your income tax return.

In general, you must pay California use tax on purchases made from out of state (for example, by telephone, over the Internet, by mail, or in person) if:

- The seller does not collect California sales or use tax, and
- You use, give away, store, or consume the item in this state.

Example: You live in California and purchase a dining table from a company in North Carolina. The company ships the table from North Carolina to your home for your use and does not charge California sales or use tax. You owe use tax for the purchase.

Complete the Use Tax Worksheet on page 8 to calculate the amount due.

Extensions to file. Wait until you file your return to report your purchases subject to use tax and make your use tax payment.

Penalty. To avoid late payment penalties for use tax, you must report and pay the use tax with a timely filed income tax return.

Changes in use tax reported. Do not file an Amended Income Tax Return to revise the use tax previously reported. If you have changes to the amount of use tax previously reported on the original tax return, contact the State Board of Equalization.

For assistance with your use tax questions, go to the State Board of Equalization's website at boe.ca.gov or call their Taxpayer Information Section at 800.400.7115, or TTY/TDD 800.735.2929. Income tax information is not available at this number.

Homeowner and Renter Assistance

This California program provides a once-a-year State payment to qualifying homeowners and renters based on the property tax they paid in the prior year. **Important update:** The state budget approved for the 2008/2009 fiscal year deleted funding for the Homeowner and Renter Assistance Program. Since there is no funding in the state budget for this program, 2008 claims cannot be paid.

The FTB will continue to accept 2008 claims and will hold them in the event that funding later becomes available. However, at this time there is no expectation that there will be any funds available to pay those claims.

The filing period for filing a 2008 claim began July 1, 2008, and ends June 30, 2009. For more information, call 800.868.4171 or go to our website at ftb.ca.gov.
